**Did you know...**

...that the Snite Museum of Art is offering free drawing materials all October long? In celebration of the international Big Draw Festival, drawing materials will be available in the galleries to satisfy your creative itch. Grab a drawing board, a few sheets of paper, and some pencils then head into the galleries to sketch one of your favorite works of art. Take your creation with you or add it to the display wall so you can say that you have a work of art in a museum!

So, consider taking a mindful break from the lab/library and head on over to the Snite any time between 10:00 a.m. to 5:00 p.m. this month!
