New Campus Service-- Do you incorporate multimedia projects into your coursework? Get support from the Media Corps!

Media Corps is a new service providing face-to-face support to students, postdocs, faculty, and staff who are creating multimedia work. The Media Corps Coaches are a team of undergrads trained to help the campus community capture, edit, and produce digital media. Make an appointment or walk-in. Coaching hours are Sunday-Thursday, 3:30pm-9:30pm, Hesburgh Library 2nd Floor, Tech Commons Help Desk. Please share this information with colleagues and students who may have an interest!

Postdoc Career Development Event

StrengthsFinder - Identifying & Capitalizing on Your Talents
Exclusively for postdoc office appointees
One of the most important aspects of your professional development is being able to identify and capitalize on your top strengths in the workplace. Participants must complete the Clifton StrengthsFinder self-assessment and read about their top five talents and strengths prior to the workshop. If you are interested please send Valli Sarveswaran your name and email address. Valli will notify you when you are allowed to take this online assessment that will take 20-30 minutes to complete. A workshop is scheduled for November 26th and it will assist you in identifying your strengths and opportunities to use them more fully and frequently at work. The workshop is only for those who have completed the self-assessment.

Event: Clifton StrengthsFinder Facilitation Workshop
Date: Monday, November 26
Time: 9:00 a.m. - 11:00 a.m.
Location: TBA

Postdoc Challenge: Grant Funding to Utilize CTSI-Designated Core Facilities

The Indiana CTSI is soliciting proposals from postdoctoral researchers to develop translational research through the use of technologies and expertise at the Indiana CTSI-designated core facilities available at all partner institutions.

The Postdoc Challenge offers postdoctoral researchers at Indiana University, Indiana University School of Medicine, IUPUI, Purdue University, and the University of Notre Dame valuable proposal writing and reviewing experience in areas related to translational research through the use of one or more of the CTSI-designated core facilities at any of the partner universities. This is a competitive opportunity for a $5,000 award in the form of an expense account for use of core facility services. Funding is to be used only for services provided by the core facilities. Indiana CTSI-designated core facilities are listed on the CTSI website.

Submission Deadline: February 22, 2019
Applications to this program are limited to $5,000 and are of one (1) year duration.
