Postdoc Holiday Get-Together

The Office for Postdoctoral Scholars invites all Postdocs and their families to celebrate the holiday season with ice skating, pizza, cookies, and a hot chocolate bar. Kids are always welcome, and skate rental is free!

Date: December 12, 2018
Time: 5:30 p.m. - 7:30 p.m.
Location: Compton Olympic Ice Arena
Register: [here](https://goo.gl/forms/H2HTC9JaTt6S1i4w1)

Other Campus Events

Collaborative Teaching Reflection Opportunity:
Start thinking about next semester and start off on the right foot with a Collaborative Teaching Reflection! This is an opportunity for you to examine your teaching to identify areas of strength and opportunities for improvement. The process includes:

- videotaping one of your class sessions.
- observing a different class session by Kaneb Center staff.

On-Campus Workshops

Center for the Study of Languages and Cultures
Hesburgh Libraries and Navari Family Center for Digital Scholarship
After analyzing the video and our observation notes, we will schedule a one-hour follow-up meeting to discuss the results. You may contact us to set-up a collaborative teaching reflection by working through Monica Hoban (1-9146) in the Kaneb Center's main office, 353 DeBartolo Hall, or contacting one of our staff directly.

Colleges of Science and Engineering - Joint Annual Meeting 2018

Date: December 7, 2018
Time: 9 a.m. - 5:30 p.m.
Location: Jordan Hall of Science

The second annual COSE-JAM is an event for graduate students and postdoctoral fellows in science and engineering to share their original research in poster or oral format. The all-day event also consists of podium presentations, a lunchtime panel discussion, and opportunities for networking. Abstracts are due November 29 through the submission portal.

For more information, visit science.nd.edu. Direct all inquiries to Matthew J. Ravosa, professor of biological sciences.

Funding Opportunities
Contact the Postdoc Office for a preliminary discussion and for assistance finding the appropriate resources for competitive external funding applications.

Postdoc Challenge: Grant Funding to Utilize CTSI-Designated Core Facilities

The Indiana CTSI is soliciting proposals from postdoctoral researchers to develop translational research through the use of technologies and expertise at the Indiana CTSI-designated core facilities available at all partner institutions.

The Postdoc Challenge offers postdoctoral researchers at Indiana University, Indiana University School of Medicine, IUPUI, Purdue University, and the University of Notre Dame valuable proposal writing and reviewing experience in areas related to translational research through the use of one or more of the CTSI-designated core facilities at any of the partner universities. This is a competitive opportunity for a $5,000 award in the form of an expense account for use of core facility services. Funding is to be used only for services provided by the core facilities. Indiana CTSI-designated core facilities are listed on the CTSI website.

Submission Deadline: February 22, 2019
Applications to this program are limited to $5,000 and are of one (1) year duration.
Postdoc Challenge: Workshop

Are you considering the above competition? Do you think you need help? The following workshops will be held on Tuesday, December 14 in 103 McCourney Hall that will prepare you for the challenge!

1pm to 2pm - Effective Grant Writing for Translational Research
2:30 to 3:30pm - Introduction to the NIH Peer Review Process

There will also be a session on January 30 for those who will serve as a reviewer. This workshop will be conducted at Purdue University, but you may attend via WebEx. Please let Melanie Deford know if you are interested in submitting an application or serving as a reviewer.

Job Postings

- Engineering:
  - Assistant Professor of Industrial Engineering and Engineering Management
  - Data Scientist

- Humanities:
  - Assistant Professor - Linguistic Anthropology
  - Director of Professional Educator Services

- Science:
  - Assistant Professor in Cybersecurity
  - Senior Scientist III, NCE Analytical Chemist

- Social Science:
  - Assistant Professor of Clinical Psychology
  - Director of services for students with disabilities

- Multidisciplinary:
  - Assistant/Associate Director of Assessment and Faculty
  - Assistant Director for International Development - West Lafayette - Global Engineering Programs and Partnership (Purdue will sponsor employment authorization)
  - Director, Academic Affairs
  - Director of Public Service - School of Service & Leadership

- Postdoc Positions:
  - Post Doctoral Appointee in Adolescent Behavioral Health Research
  - Research Associate (Postdoc) in Applied Machine Learning (M/F)
  - Environmental Chemistry Postdoctoral Associate
  - Research Associate (Postdoc) in Emerging 5G and Beyond Wireless Networks
