**Postdoc Challenge: Grant Funding to Utilize CTSI-Designated Core Facilities**

The Indiana CTSI is soliciting proposals from postdoctoral researchers to develop translational research through the use of technologies and expertise at the Indiana CTSI-designated core facilities available at all partner institutions.

The Postdoc Challenge offers postdoctoral researchers at Indiana University, Indiana University School of Medicine, IUPUI, Purdue University, and the University of Notre Dame valuable proposal writing and reviewing experience in areas related to translational research through the use of one or more of the CTSI-designated core facilities at any of the partner universities. This is a competitive opportunity for a $5,000 award in the form of an expense account for use of core facility services. Funding is to be used only for services provided by the core facilities. Indiana CTSI-designated core facilities are listed on the [CTSI website](http://www.ctsi.indiana.edu).

**Submission Deadline:** February 22, 2019

Applications to this program are limited to $5,000 and are of one (1) year duration.

**Postdoc Challenge: Workshop**

Are you considering competing in the Indiana CTSI Postdoc Challenge? Do you think you need help with your application?

The following workshops will be held on **Tuesday, December 14** in 103 McCourtney Hall that will prepare you for the challenge!

1:00 p.m. to 2:00 p.m. - Effective Grant Writing for Translational Research
2:30 p.m. to 3:30 p.m. - Introduction to the NIH Peer Review Process

There will also be a session on January 30 for those who will serve as a reviewer for the challenge.

This workshop will be conducted at Purdue University, but you may attend via WebEx. Please let Melanie Deford know if you are interested in submitting an application or serving as a reviewer!
