Kaneb Workshop: Gathering Early Semester Student Feedback

Research indicates that ongoing formative feedback from students and colleagues is the best way to improve teaching (National Research Council, 2003). Early semester feedback offers an opportunity to collect detailed information from students about how well your course is working. During this workshop participants will discuss the value of early semester feedback and review sample feedback forms. Participants will have the opportunity to brainstorm possible questions and begin crafting their own feedback forms.

**Date:** Wednesday, February 6  
**Time:** 10:30 a.m. to 11:45 a.m.  
**Location:** 210-214 McKenna Hall
