2019 Summer Grant Writing Program, July 29-Aug 15

The Office of Grants and Fellowships is organizing the annual Summer Grant Writing Program scheduled to take place from July 29 through August 15, 2019. Our grant writing workshops which include 1-on-1 consultations are highly successful and yield numerous winners, honorable mentions, and semi-finalists. Register HERE.

There are two focus areas (Track 1: Grant Writing Boot Camp and Track 2: NSF GRFP; AM and PM Sessions). Postdocs and graduate students are welcome to mix and match lectures from both tracks and to attend as many writing sessions as needed. Following the successful Fall Break Grant Writing Boot Camp model, the Office of Grants and Fellowships will provide postdocs with writing space (with unlimited draft reviews and snacks).
