National Postdoc Appreciation Week: September 16-20, 2019

The University of Notre Dame is proud to recognize postdoctoral scholars and the significant contributions they make to research and teaching. National Postdoc Appreciation Week will be celebrated with both social and professional events for ND Postdocs!

Since 2009, the National Postdoctoral Association (NPA) has sponsored National Postdoc Appreciation Week to recognize the significant contributions that postdoctoral scholars make to U.S. research and discovery. In 2010, the U.S. House of Representatives recognized the week starting the third Monday in September as National Postdoctoral Appreciation Week. Institutions from across the country and other parts of the world participate by holding special events. The following events are scheduled and all Notre Dame postdocs are encouraged to participate.

<table>
